

# 2019 Winter Crop Directory

The following list contains the names of growers and/or seed contractors who are producers of Registered or Certified classes of seed for the varieties listed during 2019. The fields listed are in the process of being inspected. Some may be completely or partially canceled or rejected. The final grade for all classes of seed will be dependent on fields passing inspection and upon a satisfactory laboratory analysis of seed lots. All certification standards must be met before certification is completed and seed tags or bulk certificates are issued. Certification is void unless a certification tag or Montana Bulk Seed Sale Certificate accompanies all seed.

The Montana Seed Growers Association is not a marketing organization and all inquiries on seed should be made directly to the growers and/or contractor listed. The Montana Seed Growers Association does not assume any financial responsibility regarding seed listed. Every attempt has been made to insure a high quality seed product that conforms to Montana certification standards.
